

Banbury Lawn Tennis Club

The summer tennis season has arrived!

Welcome to a brand new season at Banbury Tennis Club! Our summer club nights begin at **6.30pm on Tuesday 3rd April** and will run every Tuesday and Friday night until September. We look forward to seeing you there.

How club nights work

Everyone attending club nights will manage themselves using the magnetic board that is stored in the clubhouse.

So, a reminder of how this should work:

1. Everyone has a magnetic strip with their name on it.
2. When you arrive, move your name to the waiting section.
3. Person at the front of the queue picks 3 other players
4. Move the 4 names to a free court and then play.

At the end of your set please leave the courts and move your name to the waiting section. This way everyone should get to play each other and the club night should run smoothly!

Membership news

This year we are switching our membership database from PaySubsOnline to the LTA's ClubSpark system. ClubSpark offers a range of tools that should help us manage the Club more efficiently. ClubSpark will be the source of membership renewal notices you will receive, and you'll also get an invite to register if you haven't already done so.

Well done to our winter floodlit team!

Congratulations to our winter team in the Banbury Floodlit league who won their division with two games to spare. Also good luck to our weekend winter teams who still have a couple of matches left to play.

Great British Tennis Weekend 2018

After a successful event last year, we'll be taking part in the Great British Tennis Weekend again on Saturday 12th May and Sunday 22nd July this year. More information coming soon!

Upcoming events

We had a great mid-season tournament last year and will be running another this summer. Look out for more information in the clubhouse.
